Hi Phil,

I have been corresponding with Chrissy Mann with regard to obtaining a copy of the exemption request from the TCEQ. Would it be possible for you to send me an electronic copy of the application without the oversized maps? We can wait for the maps as part of our official FOIA request, but an electronic copy of the text would be useful because we have been getting questions from some of the folks in Goliad. Any help would be much appreciated.

Thank you,  
Adam
